

REMARKS

Claims 21-30 are pending in the application. New claims 21-30 have been added and claims 1-20 have been canceled by the foregoing amendment. No new matter has been introduced as a result of this amendment.

Claims 1 and 11 stand rejected as allegedly failing to comply with the enablement requirement of 35 U.S.C. § 112, 1st paragraph. Claims 1-7 and 11-20 are indicated as being rejected in the Office Action Cover Sheet but claims 2-7 and 11-20 have not been addressed in the detailed office action.

In order to initiate (and, expedite) prosecution on the merits, claims 1-20 have been canceled. Newly added claims 21-30 recite aspects of exemplary embodiments as described.

Favorable examination on the merits is requested. The Examiner is strongly urged to contact the undersigned representative to resolve any issues with respect to expediting the prosecution of this application.

Respectfully submitted,

Potomac Patent Group PLLC
